

INTRODUCTION OF THE MOVABLE PROPERTY SECURITY INTEREST BILL FOR MALAYSIA & REVIEW OF THE REGISTRATION OF BUSINESS ACT 1956 [ACT 197]

INTRODUCTION OF THE MOVABLE PROPERTY SECURITY INTEREST BILL FOR MALAYSIA

COURSE INTRODUCTION

The Bill will introduce a new legal framework for Malaysia relating to the registration and enforcement of rights of security interest in movable property which is applied as collateral for a loan or to fulfill an obligation. With the introduction of the Act, entities especially SMEs will be provided with the capacity to utilise all existing properties, either movable or immovable, for better credit standing or to obtain financing (initial or operational). Currently, the Companies Act 2016 provides for the registration of charges for both movable and immovable property only for companies.

As a way forward, the Bill will change the legal landscape as it is expected that more categories of movable property would then be allowed and accepted as collateral for a loan by the financial institutions. On top of that, as the Bill would also include hire purchase transactions, most interest on vehicles under hire purchase would also be registered under this Bill.

The Bill is currently in its final stage with the AGC and is expected to be tabled in Parliament in the third quarter of 2026.
